# BUILDING THE NEXT GENERATION OF TRUST LEADERS

Trust Leaders is an evidence-informed, practical training programme for leaders of multi-academy trusts, or similar organisations, who want to become exceptional leaders and build sustainable organisations. The programme is run by the sector's leading expert educators, including former National Schools Commissioner, Sir David Carter.

## Trust Leaders benefits for you

- > **Become a successful CEO.** Gain greater understanding of yourself and your organisation with exclusive insights into the education system from our experts.
- > **Improve the life chances of your trust's pupils.** Becoming an expert trust leader will help your trust to improve and will positively impact on the life chances of children in all your schools.
- > **Explore multiple site leadership approaches.** Investigate the complex academy system and learn practical strategies to build a single trust culture.
- > **Drive change at scale.** Build your understanding of change theory with direct application to the trust sector.
- > **Consolidate your vision.** Develop a clear, strategic vision for your trust to lead improvement across schools, raising standards and outcomes for pupils.
- > **Build stakeholder relationships.** Develop your communication skills to engage with your trust, your community and the media.
- > **Develop your talent.** Design a trust specific talent strategy and build a sustainable workforce for the future.
- > **Join a powerful network.** Meet and share knowledge with a large group of like-minded CEOs and executive leaders working in similar contexts.

## What does the training include?

- > Four two-day residential events, led by sector experts, sharing evidence-informed insights and strategies to develop your trust.
- > Learning visits to leading trusts to see how these insights are applied in practice.
- > Six hours of executive coaching, giving you specific support to unlock your full leadership potential.
- > Peer-to-peer development sessions to learn from leaders facing similar challenges.
- > Access to leadership expertise from outstanding individuals and organisations, drawing on findings from Ambition Institute's own research.
- > Access to 360-degree and trust diagnostic tools to analyse your progress and highlight areas for further development.

## How much does the training cost?

The programme costs £9,450.

“My commitment is to support CEOs to strategically lead their trusts better than they thought possible, while helping them to raise standards for pupils and become the employer of choice in their community.”

Sir David Carter, Executive Director of System Leadership, Ambition Institute

## About Ambition Institute

We are a graduate school for teachers, school leaders and system leaders with charity status. Our programmes help educators serving children from disadvantaged backgrounds to keep getting better.

Children from disadvantaged backgrounds don't do as well at school. We are working to change that. Through our programmes we want to ensure there are expert teachers in every classroom being led by exceptional school leaders at all levels.
